**Nouveau storytelling, music, sound effects and a cartooning workshop for French Immersion students!!**

**Comments from Artscan Showcase delegates:**

- Students were sitting on the edge of their seats**
- Magical story telling**
- Strong for both French Immersion and younger Basic French students**

**Workshop facilitated by:**

**\*\*\* Gérald Laroche \*\*\***

**You are invited to a day of audio and visual creativity hosted by Juno award winning musician Gérald Laroche. Gérald presents students with two creative ways, music and Cartooning, to tell a story. He will show students how to make music and sound effects just like the ones featured in movies. Using a variety of instruments and electronic effects, Gérald creates vivid stories through sound. He also demonstrates and explains how students can create their own music and effects to tell a story. They will also use their drawing, cartooning and design skills to create their own poster style Splash Pages!**

**The Cultural Tour schedule is as follows:**

**MORNING: Grades K-3 Concert (25 mins) and  
Grades 4-6 Concert (45 mins)**

**AFTERNOON: Grades 5-6 Cartooning Workshop (1 hour)**
